FINL. (MILY. FUNDS). INDIA OFFICE; No. 497. London, 21st Nov. 1872. <i>To His Excellency the Right Hon'ble the Governor General of India in Council.</i>	
MY LORD,	
PARA. 1. I have considered in Council your Military Letter No. 191, dated 9th September 1872, on the subject of the rates of subscription to the Military Funds to be paid by Regimental Majors of Royal Artillery and Royal Engineers. As these officers are only entitled, when serving in India, to pay equivalent to that which was formerly drawn by them as Captains, I have decided that subscription to the Funds in the grade of Major shall not be compulsory on Regimental Majors of the Ordnance Corps, either in Europe or in India.	
2. The Regulations of the Funds, however, provide that donations should be paid by subscribers in each successive grade, and the option of continuing to subscribe as Captains must be granted to such officers on the understanding that they will be required to pay the donation of Major as well as that of Lieutenant Colonel on promotion to the latter rank, and that the widow of an officer will only be entitled to the pension of the grade in which her husband was subscribing to the Fund at the date of his decease.	
3. Those officers who avail themselves of the option of subscribing as Majors should be allowed to do so under the regulations applicable to subscribers holding the rank and drawing the pay of Major, under which regulations health certificates are not required.	
4. I request that this decision may be notified to the Army in General Orders	1225

No. 133.—His Excellency the Viceroy and Governor General in Council is pleased to approve the following Rules framed in pursuance of Sections 20 and 22 of the Court Fees Act (VII. of 1870) for regulating the execution and costs of processes issued by the Civil Courts in Mysore :

- 1.—The following Rules shall take effect from and after the 1st September 1872 in supersession of all other rules now in force relating to the service or execution of processes :
- 2.—All processes issuing from the Civil Courts of the Superintendents, Deputy Superintendents, Judicial Assistants and Amildars, shall be served or executed by a separate establishment, which shall consist of Amins and peons.
- 3.—Every warrant for the attachment of property, and every warrant for the sale, or for the sale and delivery of possession of property (whether moveable or immoveable), shall be executed by Amins.
- 4.—Every summons, notice, written order, warrant of arrest, injunction and proclamation, shall be served or executed by peons.
- 5.—The salary of an Amin in the Talook Courts shall be Rupees eight, and that of a peon Rupees five per mensem. The salary of an Amin in the Courts of Judicial Assistants and Deputy Superintendents of Districts shall be Rupees twelve, and that of a peon Rupees six; the salary of an Amin in the Superintendent's Court shall be Rupees fourteen, and that of a peon Rupees seven. Provided that in exceptional cases, and with the previous sanction of the Judicial Commissioner, batta may be given in addition to salary.

6.—The following procedure shall be followed for ascertaining and regulating, from time to time, the number of Amins and peons necessary to be employed for the service and execution of processes issuing from the different Civil Courts in the Province :

I.—The Superintendent of each Division shall ascertain the average annual number of civil processes issued from his own Court, and from each of the Courts subordinate to him, which are required to be executed by Amins and peons, respectively, under these rules, during the three years last past, or during any lesser period regarding which reliable data can be procured.

II.—The Amins and peons to be employed in each Court shall be in number sufficient for the execution of a like number of processes, each Amin being for this purpose considered capable of executing seventy processes annually, and each peon the following number of processes :

	<i>Per annum.</i>
In the Superintendents', Deputy Superintendents', and Judicial Assistants' Courts in all Districts, except the Mysore District	200
In the Amildars' Courts	400
In the Judicial Assistants' Courts in the Mysore District	300

III.—In order to provide for the service by peons of processes of certain kinds, which occupy a longer period, and in respect of which a higher fee is charged, 25 per cent. may be added in each case to the average ascertained under clause I. of this section : Provided that in no case shall the costs and charges on account of the service of process exceed the estimated or probable receipts.

IV.—When there are in any Districts several offices of any one class, such as those of Amildars, the Superintendents may authorize the appointment of such number of Amins and peons on the whole for such Courts as may suffice for executing the total number of processes, and may, from time to time, apportion such peons according to need among such Courts.

V.—When it appears to the Superintendent that the number of processes issued out of any Court or class of Courts in any District has increased so as to render an increase of establishment necessary, he shall be competent to make the requisite increase in the number of Amins or peons; and if there shall be a diminution of processes to the like extent, or if he shall be satisfied that the processes of all or any of such Courts can be executed by a smaller number of peons, or if it appears that the costs and charges exceed the receipts, it shall be his duty to make a reduction accordingly : Provided that intimation of all changes effected under this clause shall be reported to the Judicial Commissioner for sanction, and that all extra officers appointed shall be placed on the temporary establishment until such time as it is evident that it is necessary to place them on the ordinary establishment.

VI.—If in any Courts or class of Courts the amount of work fluctuates at different seasons of the year, the number of Amins and peons appointed on the ordinary establishment shall be the minimum required at any time of the year. To provide in such cases for the carrying on of the work during the busy season of the year, the Superintendent shall, subject to the approval of the Judicial Commissioner, be empowered to sanction the temporary employment of an extra establishment.

7.—For and in respect of the service of a process issuing from an Amildar's Court, there shall be payable by the party, at whose instance such process is to be served, a fee of the amount specified in Schedule I. annexed to these Rules, and such process shall not be served or executed until such fee shall have been duly paid.

- 2.—In cases in which the party at whose instance a process is issued desires expedition in the service or execution of the process, he shall pay to the Amin or peon entrusted with the process, through the Nazir or Sheristadar, mileage, at the rate of four annas per mile, if the Amin or peon is required to travel by transit; two annas per mile, if by ordinary cart; and three pice per mile, if by rail.

POLITICAL.

The 5th July 1872.

No. 1470.—His Excellency the Viceroy and Governor General in Council is pleased to notify, for public information, that the following Rules have been framed for giving effect to Article IX. of the Treaty of 1870 with the Maharaja of Cashmere :

Rules to provide for the refund of duty on goods exported from British Territory to Cashmere or to Central Asia (Turkestan), via Cashmere.

- 1.—These rules are framed to give effect to Article IX. of the Treaty between the British Government and His Highness the Maharaja of Jummoo and Cashmere, dated 2nd May 1870, by which the British Government agrees to levy no duty on goods transmitted in bond through British India to Central Asia, or to the territories of His Highness the Maharaja.
- 2.—The places agreed upon between the Punjab Government and the Maharaja of Cashmere as the places where goods may be declared and sealed for transmission in bond, and where refund of duty may be claimed under these rules, are Calcutta, Bombay, and Umritsur. Goods intended for Turkestan may be declared, sealed, &c., at these three places, and also at Sultanpoor, in the Kulu Tehsil of the Kangra District.

- 3.—Any merchant trading on his own account, and any merchant or agent trading on account of the Maharaja of Cashmere, who wishes to claim the refund of duty allowed by these rules, may apply to the Collector of Customs of Calcutta or Bombay, or the Deputy Commissioners of Umritsur and Kangra, as the case may be, for the same in the following manner:
- 4.—The goods intended for export to Cashmere or Turkestan (Central Asia) are to be declared on invoices, and opportunity is to be given to the Collector or Deputy Commissioner to inspect them if required. The packages are to be sealed in presence of the Collector, or an officer authorized by him.
- 5.—Goods sealed at Calcutta or Bombay must not break bulk anywhere before they reach the Cashmere border, or Sultanpoor, in the Kangra District.
- 6.—Goods intended for Cashmere or Central Asia, and which are required to break bulk on the route up-country, may more conveniently be declared, sealed, &c., at Umritsur.
- 7.—The duty of which a refund is claimable under these rules is the customs duty specified in the schedules of Act VI. of 1863 (The Consolidated Customs Act). The amount of such duty shall be calculated at the values assigned to goods in those schedules.
- 8.—The Collector, as aforesaid, will furnish the applicant with a certificate in the annexed Form A, specifying the numbers on the packages sealed by him or under his orders, the kind of goods, the gross weight, the destination, and the amount of duty to be refunded in the event of the goods reaching the Cashmere border, or the station of Sultanpoor, intact. The Collector will keep a register of such certificates in serial order.
- 9.—The goods may then be conveyed by any route the applicant chooses. There is no restriction as to routes, but refunds are only claimable at the place where the packages were sealed, i. e., Calcutta, Bombay, and Umritsur, for the Cashmere trade, and Sultanpoor for the direct trade to Turkestan, on production of the invoice duly attested by the customs officers of His Highness the Maharaja, or by the official appointed on that behalf at Sultanpoor, in Kulu.
- 10.—On arrival of the goods within the boundaries of Cashmere, the customs officials of the Maharaja at the borders of His Highness the Maharaja's territory on the various routes into Cashmere will examine the packages to see that the seals are untampered with, and that the number and weight of packages corresponds with the certificate, and will endorse the certificate accordingly.
- 11.—The owner or his agent will then be entitled to present this certificate to the Collector at Calcutta, Bombay, or Umritsur, as the case may be, and obtain payment of the amount of duty stated therein.
- 12.—In the case of goods sent to Turkestan *via* Kulu, the owner or agent may present the certificate for payment at the Sultanpoor Tehsil after furnishing proof to the Tehsildar that the goods have left the limits of the Tehsil in the direction of Turkestan. Further detailed arrangements on this last point will be made by the Deputy Commissioner of Kangra.

NOTIFICATIONS.**ACCOUNTS.**

Simla, the 12th July 1872.

No. 1075.—Read again—

Resolution No. 3334, dated 14th December 1870, by which Provincial Services were separated from Imperial Services.

RESOLUTION.—By paragraph 16 of this Resolution the question of how the charge for the absentee and superannuation allowances of officers appointed after the date of the Resolution to any new office paid from Provincial Funds should be borne was left for subsequent consideration.

2. The Governor General in Council is now pleased to declare that the Imperial Government will, until further orders, bear the charge for absentee pay in England, and for pensions or gratuities under the pension rules, of all officers who are paid from Provincial Funds, whether their offices were created before or after the 14th December 1870.

3. To enable the Government of India to ascertain from time to time the additional charge thus imposed upon Imperial Revenues, the several Local Governments should submit annually, on the 1st April, a list of all new offices created during the preceding financial year chargeable to Provincial Revenues, and of all offices theretofore so chargeable abolished during the same period. The return should show the name and nature of the office created or abolished, the date of creation or abolition, and the amount of pay attached to it.

4. It is to be distinctly understood that nothing in this Resolution affects the general principle that service paid from Local Funds does not qualify for

pension from the Imperial Government. For the purposes of this Resolution, service paid from Local Funds must be clearly distinguished from service paid from Provincial Revenues.

ORDER.—Ordered, that this Resolution be published in the *Gazette of India*, copy being communicated to the Departments of the Government of India, to each Local Government, and to the Offices of Account and Audit.

Ordered also, that the following addition be made to the Civil Pension Code:

In Section 26 after "Government of India" add "or the Local Government in respect of establishments paid from Provincial Services," as the case may be.

MILITARY.

No. 115.

INDIA OFFICE;

London, the 13th June 1872.

To His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,—I have considered in Council Your Lordship's Military letter No. 82, dated 3rd May 1872, transmitting correspondence detailing the whole of the operations of the Looshai Expeditionary Force, which have been recently brought to a successful termination.

2. I congratulate Your Lordship upon results which are not less creditable to the wisdom and the moderation of the Government which sanctioned the expedition than to the military authorities which conducted the enterprise to a successful issue.

3. Her Majesty's Government fully concur with Your Lordship in attributing much of the success to the thoughtful and unremitting interest which His Excellency the Commander-in-Chief has throughout taken both in the plan and in the conduct of the operations.

4. Her Majesty's Government also fully concur in the terms in which your Government have acknowledged the services on this occasion of the Lieutenant-Governor of Bengal and the officers employed under His Honor's orders, of Brigadier-Generals Bouchier and Brownlow, and of the several officers of the Military and Political Departments employed in connection with the expedition, whose services have been brought to the notice of your Government by the military authorities.
